

# ET & Semen Freezing ~ Equine Cryogenic Services

Division of Santolina Farm Inc.

## Freezing Equine Semen ~ processed at "10 degrees" centigrade, not room temperature+.

Test Freeze Protocol and Straw Thawing, Semen evaluation with Extenders	\$400
Semen Freezing per Ejaculate or Fed-Ex delivery to EqCS, including Evaluation	\$275
Semen Freezing as "EqCS - USDA Certified labeled" Straws/Units-EU Add \$ 50 per ejaculate or Non EU Add \$100	
USDA Semen>>>> See your State Quarantine Requirements for your stallion / farm, "Frozen Semen" requirements.	

## Monthly Storage Fees for Frozen Semen Straws ( 0.5 ml Straws ) in Equine Cryogenic Service Tanks.\*

Straws are packaged 5 straws per "Goblet" ( =one unit ) with 2 goblets/units per Cane and Cryo id. Tab at top.  
Or Bulk Storage straws or 5 straws per goblet - labeled ( 1 breeding dose per Goblet ) without cane or id Tab.  
i.e., 5x (.5ml) Straws / Goblet = a 1 Billion total sperm count, or 600 million motile sperm at 60% motility.  
Customer decides which breeding dose system works best for their Stallion and/or tank storage.  
Large Straws - Bulk Storage of 5 ml, 4 ml, or 2.5 ml straws, as one unit per straw stored, without goblets.

### Storage Fees ~ EqCS Dewar

Under 26 Units ( 25 or less )	\$15 per month or \$150 per year, Long Term Storage
26 to 49 Units	\$25 per month or \$250 per year, Long Term Storage
50 to 100 Units	\$35 per month or \$350 per year, Long Term Storage
additional 25 Units	+ \$15 per month or + \$100 per year, Long Term Storage

### Storage Frozen Semen in "Owners Dewar Tank", including supply of Liquid Nitrogen and tank monitoring.\*

\$60 per month or \$600 per year including Liquid Nitrogen needed to maintain "Full Liquid Status" Dewar Tank.

Filling empty tank "hot tank" is charged at \$6 per Liter volume of tank. Example 35 L tank = \$210, 1<sup>st</sup> fill.

( \* ) Liquid Nitrogen Dewar Tank *Failure* Liability, IS Waived Under the Biological Agreement.

*Stallion Owners can preserve their Stallion's genetics, and guarantee future breeding for \$2 per day or less.*

*Frozen Semen is "frozen in time". Your Stallion's semen does not age or die when frozen in liquid nitrogen at -196.*

## Stallion Semen Collection, Mare Artificial Insemination and Semen / Sperm Evaluation:

Contracted Stallion - MARE Handling Fee / Chute Fee – INCLUDES All Collection fees	\$250 per yr / mare
Stallion Collection without evaluation (Owner AV liner or +\$25 ) - <u>Non Contracted fee</u>	\$150 each collection
Stallion Collection with Semen Evaluation, including total count, volume and % motility	\$175
Stallion Collection for semen freezing	\$110
Extend Semen into breeding dose. Addlt. Dose - add \$25 ea	\$25 ea
Semen evaluation with total count, volume and % motility, without collection	\$50
IVOS Sperm Analysis of Extended Semen for shipping @ 24 hrs. See web site for details	\$125 ea
IVOS Sperm Analysis of 2 > 4 Extenders for Semen Shipping Evaluation. See web site	\$250
Artificial Insemination of mare by Santolina Farm Inc., On Site breeding	\$35
Artificial Insemination of mare by Santolina Farm Inc., Off Site breeding-Contracted stud	\$60
Frozen Semen Retrieval, Thaw, and Evaluate for insemination.	\$40
Frozen Semen Tank Dose Transfers or Straw transfers.	\$100

## Semen Collection, Shipping, Evaluation and Preparation, with out Fed Ex / UPS fees

Semen collection for shipment, including evaluation & preparation – Contracted stud	\$195.00 – shipment #1 box
Semen collection for shipment, including evaluation & preparation from same collection-c/s	\$145.00 – ea additional box
Visual exam semen, extend semen and prepare for shipment with standard extender,	\$50
Visual exam semen, extend semen and prepare for shipment with special extender or Inra 96	add \$35
Disposable shipping container - box type	\$50

## Shipping Containers and fees: ~ see other side for *package service*

Fed Ex Fee for Equis II or Box type semen shipment anywhere USA or Canada	\$90
Equis II or Box type container = No Deposits and No extra fees. Standard Container	
Fed Ex Fee Equitaner shipment (\$300 deposit required) anywhere USA or Canada	\$160
Air Freight semen or embryo shipment anywhere USA in Box Container or Equitaner w deposit.	\$180 plus Courier
Courier fees range from \$50 to \$200 to Airport depending on time and flight requirements.	

## Embryo Transfers ~ flush and transplants ~ see complete listing of program fees

Embryo Flush of donor mare, including supplies, meds and ultrasound(s) up to 3.	\$550
Embryo transplant to recipient mare, including supplies, meds and ultrasound(s) > 15 day Preg. check.	\$450
Embryo Flush for transport, including embryo transport preparation	\$550
Embryo Freezing with Planer freeze chamber- \$500 per embryo plus storage at \$100 per calendar year.
