

Santolina Farm Inc.
Stallion Breeding and/or Freezing Semen Conditions Agreement

Name of Stallion, _____, Breed _____ Reg. # _____

Santolina Farm Inc. and _____, "Owners" of the Stallion named above, agree to the following Conditions of the Breeding Services provided by Santolina Farm Inc.

_____ I agree to Stallion Contracted Agreement terms as listed below.

_____ I agree to be billed for individual services provided as a Non Contracted Stallion.

1. Stallion Owners shall complete the standard Santolina Farm Board Contract for the Stallion/Owner to be on the Property for boarding, collecting stallion, including any semen freezing, even if semen is delivered to Santolina. See Board contract for Liability Release, Boarding Conditions and Fees.
2. Stallion Owner may list Santolina / Equine Cryogenic Service in Stallion Advertising publications "noting" Breeding Services Provided By: Santolina Farm Inc. / Equine Cryogenic Service, 5520 E. Lone Mountain Road, Cave Creek, AZ, 85331, 480-488-1444. Web = santolinafarm.com Santolina will give its best efforts to assist in sales of a Stallion breeding and attempt to satisfy customer's needs. Advertising media can be displayed in our office atrium for distribution to public. Santolina provides breeding services for several Stallions. It is our intention that the Stallion Owner and Trainer continue as the Advertising Managers and Promoters of their Stallion that we will help to sell breedings.
3. Santolina requires a gifted breeding on All Contracted Stallions in our program to assist in keeping fees lower to contracted stallions without cost to stallion owner. Stallion Owner agrees to "Gift" one breeding to Santolina Farm Inc., per year, to be used in the Santolina Farm breeding program and / or Santolina Farm Employee Promotion / Bonus program, or any other Santolina Breeding Promotion. Santolina may at its own expense, promote such Stallion Breeding, to the benefit of both Stallion Owner and Santolina Farm Inc. The standard Santolina Stallion breeding contract shall be used for contracting gifted breeding as paid in full or owner breeding contract as needed. This Breeding shall be serviced from excess cooled semen or 10 frozen semen breeding units or test straws (3 heat cycles), cryo preserved at Santolina's expense. All Expenses associated with Breeding shall be Mare Owners responsibility with NO COST to Stallion Owner. Breeding can be used at any time until semen is no longer available or used up. Santolina further understands that the "Breeding" cannot be sold and does not carry a live foal guarantee.
4. Stallion Owner agrees to pay the following fees for Breeding Services provided and assist Santolina in any delinquent collections for any services provided in association with Owners Stallion, as contracted on the Mare Breeding Contract.

5. Stallion AV – Missouri AV

5. A _____ Stallion Owner initials, Agrees to provide One (A.V. Or Rubber Liner) to be used Exclusively on Stallion and shall remain the property of the Stallion Owner. Cost of Liner, \$200.00. Santolina Farm Strongly Recommends Stallion Owners to provide their Own Liner to prevent transmitting any diseases that Stallions may contact. --- Most Recommended ---Please return

agreement with check so the AV-Liner can be ordered form NASCO. Order time is 2 to 6 weeks. Liner will be labeled with Stallions Name. Av Liners are good for about 2 years. Santolina will provide all other parts to AV at no charge.

- 5.B _____ Stallion Owner initials, Agrees to use the "General Use" AV Liner that is used for all other Stallions. Santolina will not be held responsible for any cross contamination of Stallion and/or client mares, should it occur. Stallion Owner acknowledges that breeding is not a Sterile procedure and that although Santolina use its best efforts for Aseptic Breeding, the "General Use A.V." can result in cross contamination and possibly disease or infection to stallion and/or client mares.
6. Stallion Owner _____ will provide their own Breeding Contract. (Initial one)
OR
Stallion Owner _____ Agrees to use the standard Santolina Mare Breeding Contract "Format" As a three way contract for Stallion Owner, Mare Owner, and Santolina Farm Inc. Blank (3 ply) NCR contracts can be purchased from Santolina for \$4.00 each. OR we recommend that the Standard format be customized to your Stallion and Ownership, as pre printed with your logo. Cost is approximately \$150.00 plus type setting. Santolina requires original contracts and signatures.
7. Stallion Owner Agrees to use the standard Santolina Ship Semen Agreement for "Standard Mare Breeding Contract", for all ship semen. Santolina will provide the Ship Semen Agreement for Mare Owner signature. Stallion Owner acknowledges by signing Breeding Contract with Mare Owner that Ship Semen will be available to Mare Owner, upon request and completion of Ship Semen Agreement with Santolina Farm. All Ship Semen Contracts will require that the entire Stallion Fee will be Paid in Advance to Stallion Owner and noted on Mare Breeding Contract, unless specified in writing by Stallion Owner on breeding contract.
8. Term of this agreement is for this breeding Season and additional breeding seasons until cancelled. This agreement can be terminated by Stallion Owner or Santolina Farm Inc. with a 60 days Notice to other party, excepting #3.
